

1 Programsko opremo V4 shranite v računalnik tako, da pritisnete gumb "Posodobitev programske opreme".

Posodobitev programske opreme V4

A red rectangular button with rounded corners and a thin white border. The text "Posodobitev programske opreme V4" is written in white, bold, sans-serif font. A black mouse cursor arrow is pointing towards the right side of the button, with its tip near the end of the button.

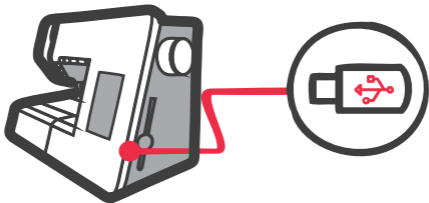

2 Datoteko shranite na ključek mikro USB.

Datoteke ".zip" ne smete razpakirati.

3 **Vklopite Veritas Carmen in priključite ključek mikro USB v vrata mikro USB.**

Če nimate ključka micro USB, uporabite adapterski kabel.

4 Izberite meni z nastavitvami in pritisnite "Posodobitev programske opreme".

Postopek traja približno 8 minut.
Med nalaganjem ne izklopite šivalnega stroja.
