SCHMETZ INSIDE

VERITAS Greta

## EXPRESS CREATIVITY WITH EASE

For those who want to work creatively the VERITAS Greta is the perfect machine with its shapely form and 19 stitch programmes. The many practical extras, such as two integrated spool pins, an integrated threader, powerful motor and glare-free sewing light make stitching a pleasure with eye-catching results.

### Limitless possibilities

The VERITAS Greta impresses with many creative stitch programs that make a real difference. Fresh decorative stitches make for real eye-catching results. Various overlock stitches are available for clean processing of cut edges. The stitch width and thread tension can be easily adjusted with the adjusting wheels, so that clean seams without any frizz can be applied to any material.

### Cleverly equipped

Because it takes more than just a large stitch selection for perfect sewing results, the VERITAS Greta offers numerous practical extras that ensure even more sewing fun. The thread is guided through the needle in seconds with the integrated threader and thanks to the two-stage close-up rod, the foot can be adjusted so that even multiply or thick fabrics can be processed easily.

### Gift happiness

The unusual decorative and utility stitching programs of the VERITAS Greta, in combination with the practical accessories, help you to spread joy with your sewing. With the buttonhole foot and the 1-step automatic buttonhole function, perfect and individual buttonholes are produced as if by magic. Pencil cases or self-made pillowcases can be ennobled with the zipper foot.

### The goddess

Greta Garbo, the goddess, was a legend during her lifetime. Between 1926 and 1941 she became perhaps the most famous film diva of all time, with films such as "Mata Hari", "Anna Karenina" and "Ninotschka". Millions around the world worshipped Garbo like no other actor, and especially for her unprecedented style. A style that not only inspired many women, but us as well. Therefore, the VERITAS Greta is a tribute to a goddess of the screen.
